**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I chose a competitive provider because they promise and deliver great service at a much smaller cost than large corporations. As a small business owner in the big data space, having access to competitively priced broadband is important to me.
